A Year of Milestones

Dear Friends:

If you're like most people, there may have been a moment in your life when you or a loved one felt completely overwhelmed, a moment that possibly even left you or them bruised or broken.

We sincerely hope that you haven't had such an experience and we pray that you never will, but unfortunately events do indeed occur; bad breaks happen and why they do, it is easy to lose courage.

It's when things look so bleak for thousands of our neighbors that Catholic Charities steps in to help them pick up the pieces and start over. Because, when you see, when you break it all down—the programs, the people, the services—that's what we represent, a second chance and the fresh start and hope that comes with it.

We use a two-generation approach to fight poverty. This approach provides a focus on creating opportunities for and addressing needs of both vulnerable children and parents together. When we do this, we increase the odds for long-term success.

We want to express our deepest and sincerest thanks for everyone who helps make our mission possible. We pray that we continue to earn this trust that you place in us in the coming years, and hope you realize that none of this is possible without your support and generosity. For this, we thank you.

Sincerely,
 Joe Mahoney Executive Director
 Dave Feamster Board Chair
